

Hello!

Here are some instructions on how to access the application. Please let me know if you have any further questions.

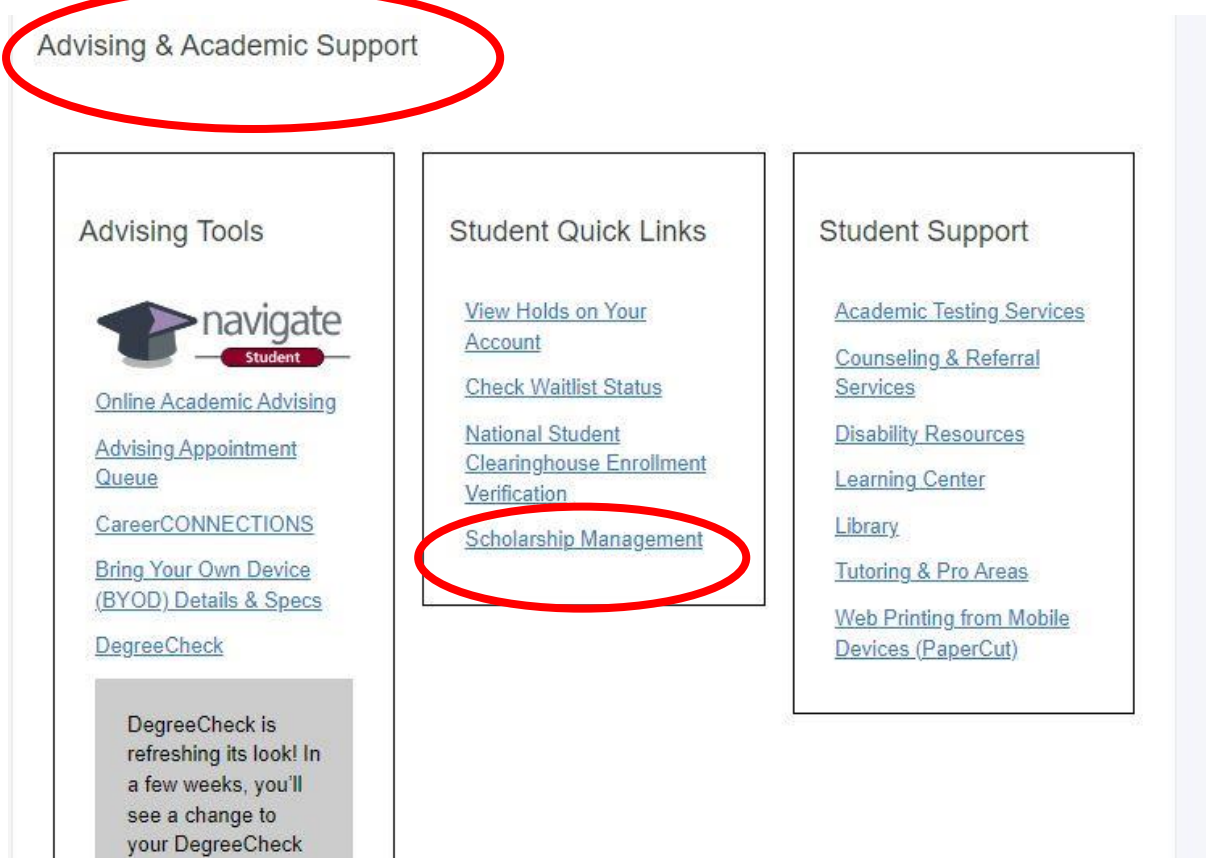

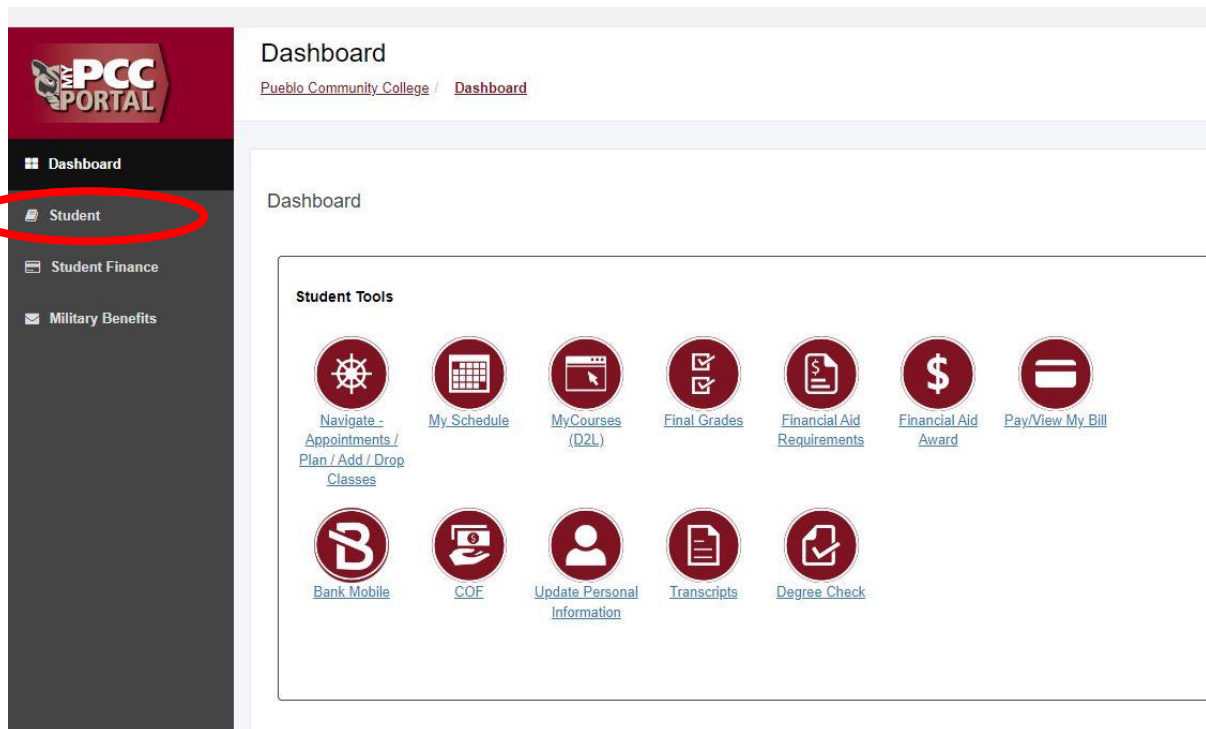

Step 1: Login to the Student Portal, I've found it easiest to access by going to catalog.pueblocc.edu and clicking **Login** button (on the right).

Step 2: Sign in to your **MyPCC Portal** account

Step 3: Once you are in the portal. Click on **Student** on the left hand side, scroll down that page to **Advising and Academic Support**

Click the **Scholarship Management** link in the middle box (**Student Quick Links**) and it should take you to the application screen. That will look like this:

session expires in 40 minutes.
