Pueblo
Community College
FOUNDATION

The foundation is honored to have the opportunity to work with alumni, businesses, community organizations and other grantors; each of whom are committed to lending their financial support to our foundation with the intent of advancing all aspects of Pueblo Community College.

PUEBLO
HALL of FAME

Established in 1981, the Pueblo Community College Foundation has supported learning for thousands of students. As education plays out on each of the PCC campuses, the foundation is committed to working with the College to bring about positive changes to the lives of individuals, families, and communities.

The foundation's mission is to provide funding to Pueblo Community College and its students through foundation-approved fundraising activities for student scholarships and special needs as identified by the College. Since its inception, the foundation has raised over \$16 million to support PCC, its students and its programs of academic excellence.

In 1991, the Pueblo Hall of Fame was established to honor individuals who, by their extraordinary effort, have contributed to the betterment or enhancement of Pueblo. Nominees are considered on the basis of contributions in the following areas: all facets of education; business and labor; arts and humanities; philanthropy; government; law; science and technology; and health and human services.
