

The Pueblo Hall of Fame was established to honor those individuals who – by their extraordinary efforts- have contributed to the betterment and enhancement of Pueblo.

Since its inception in 1991, the Pueblo Hall of Fame committee- within the confines of the Pueblo Community College Foundation- has worked to identify those individuals within our community who have exemplified the spirit of giving to others and who have served to enhance the overall quality of our community.

Funds from the annual Hall of Fame banquet financially support the Pueblo Community College Foundation and their efforts to support student scholarships and the development of programs of academic excellence at Pueblo Community College.

We invite you to become involved with this year's events and help honor our 2018 inductees.
