Established in 1981, the Pueblo Community College Foundation has supported learning for thousands of students. As education plays out on each of the PCC campuses, the PCC Foundation is committed to working with the College to bring about positive changes to the lives of individuals, families and communities.

The Foundation's mission is to provide funding to Pueblo Community College and its students through foundation-approved fundraising activities for student scholarships and special needs as identified by the College.

Since its inception, the Foundation has raised over \$50 million to support Pueblo Community College, its students and programs of academic success.

The PCC Foundation welcomes your involvement within our foundation. We offer a variety of opportunities for alumni, community members, civic organizations and industry leaders to become involved with us in our efforts to advance higher educational opportunities throughout southern Colorado.
